

The Magic in Your Genes

Your Personal Path to Ancestor Work

CAIRELLE CROW PERILLOUX

The Magic in Your Genes brings traditional genealogy, DNA testing, and magical practice together in one clear, welcoming guide to ancestor work. Written in a conversational style and grounded in current genetic genealogy standards, it welcomes every kind of family story, including adoption and misattributed parentage.

- ❖ Learn the basics of DNA and genetic genealogy, with no prior knowledge needed.
- ❖ Work with the correspondences, recipes, rituals, and spells woven through each chapter.
- ❖ Read real-life stories from Pagans, Wiccans, and witches who have taken DNA tests.

“A supportive, sensitive guide to ancestor work, The Magic in Your Genes will help you unlock powers you’ve had access to all along, nestled deep within.”

—Benebell Wen, author of *The Tao of Craft* and *Holistic Tarot*

“Finally! A book that seamlessly weaves traditional genealogy with the magic of divinely connecting to the ancestors.”

—Nancy Hendrickson, author of *Ancestral Tarot* and *Ancestral Grimoire*

“This book is unique, and I believe it will be seen as the start of a new approach to ancestral work.”

—Ivo Dominguez Jr., author of *Four Elements of the Wise*
